Typography

Display typeface: Manrope (ExtraBold 800 for headlines, Bold 700 for titles)

Body typeface: Inter (Regular 400, SemiBold 600)

Logo

- Clear space: at least the height of the mark on every side.
- Minimum size: 24 px tall on screen.
- Use the dark logo on light backgrounds and the light logo on Ink or Violet.
- Never place Coral text on Violet; never recolour or stretch the logo.
- Violet is the hero colour; Coral is for one highlight per slide.
